Stop spending time on on taxes—let us handle the details

\$400,000 earned

The largest R&D credit earned for a Zeni customer in 2024

\$6.5 million

Total credits secured for Zeni customers over the last two years

What R&D credits can do for you

- Offsets income tax liability
- Lowers payroll and tax expenses
- Extends your financial runway

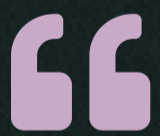

How Zeni works for you

- Identifies qualifying expenses
- Prepares and files calculations with the IRS
- Organizes and submits supporting documents to IRS

Why choose Zeni

- Deep expertise across diverse industries and verticals
- Familiar with your books if you're a Zeni customer
- 17 years highly specialized experience

For less than an hour of our work, Zeni found us \$60,000. That's a really good ROI. I've never made \$60,000 in an hour before.
